IN EUROPEAN COUNTRIES”

DECEMBER 5TH, 2013  
WARSAW, POLAND

## Guidelines

Ladies and Gentlemen,

Department of Economics and Economic Policy is pleased to invite you to the conference on "The Problems of Rural Areas and Agri-Food Sector from the Perspective of Contemporary Economic Thought", which is the fifth in the series of conferences on leading topic "Changes in agri-food sector in European countries."

The aim of the conference is to present the need of taking the perspective of contemporary economic thought, such as new institutional economy or new political economy, in analysing processes observed in agri-food sector and in rural areas.

### Scope of the conference

1. Contemporary economic thought and current problems of agriculture and rural areas
2. Interdisciplinary approach to agri-food sector (economics, sociology, management)
3. Structural change in agriculture from the perspective of new political economy
4. Contemporary concepts of social and economic welfare related to rural areas
5. Markets, firms, and bureaucracy as structures of governance
6. Market failures and government failures in agri-food sector
