

THE DEPARTMENT OF ECONOMICS AND ECONOMIC POLICY

invites you to a scientific conference on the topic:

"CLIMATE CHANGE AND THE SITUATION OF THE AGRI-FOOD SECTOR"

The 17th scientific conference in the series "Transformations in the Food Economy in European Countries"

The conference will be held on 4 December 2025, online (MS Teams)

<http://keipg.ieif.sggw.pl>

Conference program

Ladies and Gentlemen,

The Department of Economics and Economic Policy at the Institute of Economics and Finance of Warsaw University of Life Sciences (SGGW) is pleased to invite you to participate in the 17th scientific conference in the series "Transformations in the Food Economy in European Countries" on the topic "Climate Change and the Situation of the Agri-Food Sector". The conference will be a forum for debate among the scientific community from Poland and abroad on the current state and projected climate change and its impact on the economy, particularly the agri-food sector, as well as on adaptation measures in agriculture and protective measures by public administration.

CONFERENCE TOPICS

1. Climate situation and its development forecasts
2. Impact of climate change on the economy
3. Adaptive response of agriculture to climate change
4. Climate change and the product structure of agriculture
5. Climate change and the demographic situation in rural areas
6. Climate change and the country's food security
7. Non-agricultural activities as a response to climate change
8. The State policy on adapting agriculture to climate change
